RE: DA2021/0419 - 266 Whale Beach Road WHALE BEACH NSW 2107

Re:DA2021/0419.

We request the erection of on- site hight poles on the northern edge of the proposed building so as to be able to assess the impact (if any) on our views overlooking Whale Beach. We will withhold our approval of this DA until such poles have been erected.

Yours sincerely, Susie & Trevor Holman.
