**Subject:** TRIMMED: Indoor Cricket nets

Hi Olivia

The proposed indoor nets at 11 Boola Place, Cromer (DA2023/1237) will be a great addition to Northern Beaches cricket. The whole area is desperately short of cricket infrastructure and indoor nets will go a long way to reducing the problem. Currently if any side wants to train in wet weather, night time, during winter etc they need to travel to Sydney Uni or some other far flung place. For such a strong cricket community this is a major inconvenience.

Centrally located in Cromer this will attract cricketers from Palm beach to Manly and Terry Hills through to Mosman. It is a much needed development.

Happy to discuss further

Regards
