**RE: Mod2015/0152 - 80 Evans Street FRESHWATER NSW 2096**

I object to this modification and must ask whether the Diggers are thinking about the community when they make requests like those in the mod.

- Trucks should not be permitted earlier than 8am nor after 5pm. People live here.

This is going to be a huge building site; it should not be made totally unbearable.

- Having drop off spaces in Evans street will produce even more noise than currently experienced, and is not acceptable.

- Our views are going almost completely, and now Diggers want to change from glazed to painted overruns. This should not be approved.
