Council determined this Construction Certificate application on 29 October 2010 and has granted consent, subject to the conditions described below.

This Construction Certificate relates to the following:

- Project No. 349, Drawings AR01 to AR07, all Issue 3 dated 29/04/10 and received by Council 22/10/10
- Fire Safety Schedule attached
- Copy of Application form

Right of Appeal:

Under s 109K where the Certifying Authority is a Council, an applicant may appeal to the Land and Environment Court against the refusal to issue a Construction Certificate within 12 months from the date of the decision.

Note: Details in regard to Notice of Commencement of Building/Subdivision Work and appointment of the Principal Certifying Authority (Form 7 - enclosed) are to be submitted to Council two (2) working days **prior** to commencement of building works.

Signed below on behalf of the consent authority.

Yours faithfully,

Michael Giddey
Senior Building Surveyor
Landuse & Sustainability

Date: 29/10/10.

NOTICE TO APPLICANT OF CRITICAL STAGE INSPECTIONS

Made under part 4 of the environmental planning and assessment act 1979 sections 81a(2)(b1)(ii)

INSPECTION TELEPHONE NUMBER

9976 1414

That I **Michael Giddey** of Manly Council, 1 Belgrave Street, Manly acting as the principal certifying authority hereby give notice in accordance with Section 81A(12)(b1)(ii) of the Environmental Planning and Assessment Act 1979 to the person having the benefit of the development consent that the mandatory critical stage inspections identified in Schedule 1 & Schedule 2 are to be carried out in respect of the building work.

The applicant, being the person having benefit of the development consent is required under Section 81A(2)(b2)(iii) of the Environmental Planning and Assessment Act 1979 to notify the principal contractor (if not an owner-builder) of the applicable mandatory critical stage inspections specified under this notice.

To allow a principal certifying authority or another certifying authority time to carry out mandatory critical stage inspections, the principal contractor for the building site, or the owner builder, must notify the principal certifying authority at least 48 hours before building work is commenced at the site if a mandatory critical stage Inspection is required before the commencement of the work in accordance with Clause 163 of the Environmental Planning & Assessment Regulation 2000.

Failure to request a mandatory critical stage inspections will prohibit the principal certifying authority under with Section 109E (3) (d) of the Environmental Planning and Assessment Act 1979 to issue an Occupation Certificate.

Dated this 29 October 2010

Michael Giddey
Senior Building Surveyor
