**RE: DA2021/1541 - 20 Albert Street FRESHWATER NSW 2096**

To whom it may concern,

I have been struggling to find a good restaurant that is within walking distance of my house and when I heard that Alma was expanding to Freshwater, I was so excited! Alma is my go-to when I'm in Avalon as it has the best food and cocktails. It's the perfect place to go for a date night.

I honestly think we need some new restaurants, especially after lockdown. I really think Alma will bring such a cool and friendly vibe to our beautiful Freshwater village.

Kind Regards  
Toya
