MR Terry Wilson
260 Sydney road RD
Balgowlah NSW 2060

RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

Hi
The proposed development is inappropriate and not in keeping with the architectural heritage of the location. It is also too high and bulky. Any development needs approval of an appropriately qualified heritage architect. Please don't destroy the character of this area.
