

Flood Report Cover Letter – Rev A

Date: 04/08/2020

Job No. 180599

Client: Chrofi

Engineer: CH

Site: 34 Beatty Street, BALGOWLAH HEIGHTS

Northern Beaches Consulting Engineers P/L has previously completed the flood report for the above project (Job No: 180599)

We have reviewed the revised architectural drawings prepared by 'Chrofi' (drawing no's: DA-000, DA-002, DA-106 Issue D, DA-001, DA-101- DA-105 Issue C, dated 16.07.2020) and confirm that the flood report completed by NBCE is pertinent to the proposed development and the associated DA consent (including the revised architectural drawings noted above).

The design is in general compliance with section 5.4.3 of the Northern Beaches Council's (Manly area) DCP.

We trust that this certificate meets with your requirements. Please contact the author if further clarification is required.
