Officer comments

DA2021/2083 proposes the increase in the enrolment capacity of Mater Maria Catholic College at 5 Forest Road, Warriewood Valley from 850 to 1,100 students. The DA seeks an amendment to an operational condition for 850 students previously granted in 2001 on the site under N1038/00.

No physical works are proposed under this DA. Physical works associated with the increase in enrolment capacity have been levied under previous development applications.

As no physical works are proposed under this DA, contributions are not payable under the Warriewood Valley Contributions Plan.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
