RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Closing Robertson Road, which is an important aspect of Newport Village, will destroy Newport. It is the only access point to the back streets of Newport, other than Bardo Road (which was already corrupted) and a one-way lane at the north end of Newport shopping precinct past Coles, which is already obstructed by parking.

This type of development is not needed (or wanted) in Newport, this area is already at density capacity. A building of this nature simply does not fit in our beachside suburb. Please not turn us into Dee Why.
