Under Section 4.55 (1a) Minor Environmental Impact of the EP&A Act, notice is given that the above application to modify the original application has been approved, subject to the conditions specified in this notice and as described in the Modification Summary.

### Reasons for approval

The development proposal meets the Objects of the Environmental Planning and Assessment Act 1979, contained in Section 1.3, having considered the relevant provisions under s.4.15 of the aforementioned Act. Consequently, the development is considered to be in the public interest, subject to conditions.

### Community views

The application was notified in accordance with Council's Community Participation Plan and the Environmental Planning and Assessment Regulation 2021. Any submissions received representing community views were considered as part of the assessment of the application. Conditions of consent included within this Notice of Determination have been applied to ensure that the development satisfies the Objects of the Environmental Planning and Assessment Act and will not result in unacceptable environmental impacts.

## Request a review of the determination

If you are dissatisfied with this determination, you may request a review of the determination:

- You do not have the right to request a review of the determination under section 8.3 of the EP&A Act if you are excluded from those developments listed under Section 8.2(2) of the EP&A Act.
- You may request a review of the consent authority's decision under section 8.3(1) of the EP&A Act. The application must be made to the consent authority within 28 days from the date that you received the original determination notice provided that an appeal under section 8.7 of the EP&A Act has not been disposed of by the Court.

## Rights to appeal

You have a right under section 8.7 of the EP&A Act to appeal to the Court within 6 months after the date on which the determination appealed against is notified or registered on the NSW planning portal.

## Objector's right of appeal against the determination

An objector who is dissatisfied with the consent authority's determination to grant consent, in relation to Designated Development only has the right to appeal to the Court against the determination under section 8.8 of the EP&A Act within 28 days after the date that the objector was notified of the determination appealed against.

b) For the avoidance of doubt, this development consent does not authorise any element identified on the stamped plans as subject to a Building Information Certificate.

c) In the event of any inconsistency between the approved plans, reports and documentation, the approved plans prevail.

d) In the event of any inconsistency with the approved plans and a condition of this consent, the condition prevails.

Reason: To ensure all parties are aware of the approved plans and supporting documentation that applies to the development.

**B. Add Condition No. 53A - Modification of Consent - Building Information Certificate to read as follows:**

**53A. Modification of Consent - Building Information Certificate**

The applicant is required to obtain a Building Information Certificate in relation to the works highlighted as being subject to a Building Information Certificate in the stamped plans in Condition No. 1B.

Details demonstrating compliance are to be submitted to the Principal Certifier prior to the issue of an occupation certificate.

Reason: To ensure the orderly development of land.
