RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

The construction of the Optus telecommunications facility at John Fisher Park should be refused on the basis that this is a family sport and recreation area of natural beauty which does not need this proposed eyesore and danger to our health. The council has just constructed a skate park nearby (which is very popular with young people - i.e. heavily populated) and along with baseball, cricket and soccer usage, a telecommunications tower has no place at John Fisher Park. Please protect this local natural recreation space and refuse the proposal of the Optus telecommunication facility.
