31 / 10 OAKS AVE  
DEE WHY NSW 2099

**RE: Mod2016/0135 - 896 Pittwater Road DEE WHY NSW 2099**

Strongly object to the modification of commencing works at 7am. They need to stick to the 8-5 hours for demolition (even those hours are too long) and they should not be allowed to work on Saturday. We have put up with continuous noise and vibrations to my building since October 2015 from Monday to Friday 8am to 5pm and Saturdays, with some days running past 5pm. We are not able to open windows due to the noise, forget about sleeping or resting. You cannot even have a meal on Oaks Ave. How about some respite for business owners who have seen their business disappear?

Currently we are putting up with major noise roadworks on Howard Avenue that commences at 9pm and runs to 3am, works in Oaks Avenue that are continuous day and night for months, an 18 month noise complaint (POL2016/00276) that has still not been resolved with pounding music from 5am to 7:30am Monday to Saturday, and now you want us to accept more demolition noise. **START PUTTING RATEPAYERS COMFORT AND INTEREST FIRST NOT DEVELOPERS.**
