MR David Robinson
6 heron place ST
Dee why NSW 2099

RE: DA2023/1237 - 11 Boola Place CROMER NSW 2099

To whom it may concern. This Development Application is a terrible idea. The parking situation on Boola Place is already almost impossible and to add this kind of business to this street it will impact other businesses in a big way. There are massive trucks and loads of couriers constantly coming and going through this Street. Clients are always complaining about the limited parking when they try to visit. Please reject this DA in defense of local business owners and workers.

Best Regards
David Robinson
