**RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107**

This resubmitted DA has my unequivocal full support. I am a 20 year local resident who is closely aligned with Whale Beach, the Whale Beach community, the Whale Beach Surf club and residents. Since the original rebuild submission every effort has been made to address the concerns of the community to deliver what can now only be described as a high quality redevelopment that will add significantly to the ambiance and lifestyle of the entire Whale Beach community.

Consideration has been given to rescoping the aesthetics, planting, height, overhangs, colouring, beach side cafe, extensive additional parking and overall "presence" for the project. The owners should be now given every support in delivering this overdue quality addition to the Whale Beach landscape, for all to benefit.

Thank you.

Owen Coughlan
