Dear Sir/Madam

I received a letter from the Council on 10<sup>th</sup> May 2024 informing me of a proposed development for a Child Care Centre opposite where I live on Warringah Road. Unless I am mistaken the Child Care Centre has already been build and from my observations is ready to open. Is there another Child Care Centre to be build along side the new centre? If so, I would like to lodge my objection to this building as in my opinion it will lead to further congestion of traffic on an already very busy road. Parking will also be a problem for drop offs and pick ups and in the interest and safety of children I would not be in favour of an additional Child Care Centre on Warringah Road, Forestville.

Kindest Regards

Maria Lynam
