**RE: Mod2017/0063 - 80 Evans Street FRESHWATER NSW 2096**

As a neighbour to the diggers club, the dust is terrible, my whole balcony is covered all the time. the noise is currently bearable as it only during the day when i am at work and Saturday morning in the morning. the extension of hours will only making living where we live worst!

Please do not extend the hours of works, the builder provided a program at the start of the job and should be sticking to that and not having to extend the hours of work.
