RE: DA2020/1097 - 0 Campbell Parade MANLY VALE NSW 2093

My buildings garage entry is on Campbell Parade. On weekends when there are sporting events in Passmore Reserve, Campbell Parade and Quirk Road is absolute grid lock and residents are not able to get in and out of their garages. There is also limited parking in the area due to the number of unit blocks. Without alternative access to the reserve and additional parking, adding lights to allow for night sports will cause grid lock traffic in small suburban streets on weeknight evenings. Residents will find it even more difficult to find a park on the street in the evening. I object to this application.
