RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

The Bilgola bends are renowned for their delays and traffic built up. Building on this site is ludicrous to begin with! Why was that area of land even subdivided in the first place? Crazy! A development such as this will also set a precedent for future builds. In doing so will ruin what we all love about this northern end of the peninsula. The green tall trees and naturalistic feel. If this is approved, the bends will become a strip of empty weekenders for millionaires.
