RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107

I am at a complete loss to understand how a council would responsibly create a a Zone E4 Environmental Living Zone, identify a land parcel as being within that zone and then blatantly disregard the zoning rules for this proposed development. How do you justify this transgression, lack of respect for due process and lack of foresight for the future degradation of a protected environment?
