**RE: DA2021/0669 - 1193 Barrenjoey Road PALM BEACH NSW 2108**

To the Assessing Officer,  
I am one amongst a whole community who dissents the choice to demolish and develop the palm beach surf club for a restaurant and associated parking. The current parking opportunities in North Palm Beach are more than adequate and that surf club is all relatively modern infrastructure without need of reworking or replacement. We are not the Gold Coast. We do not want to become the Gold Coast. As the council you should be representing the desires of the community, not wasting money on things to feebly search for more revenue. Start acting democratically.
