**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

If I want to live in Chatswood I'll move there. Belrose Davidson is a residential housing area and not comp-acted like many other suburbs. I can maybe live with 3 stories but that's it. With Covid in mind and not going away do we really need an extra 120 people and 80 cars living on a block that would normally have 10 people and 7 cars. Lastly, that whole intersection for traffic is bad; adding extra traffic is bad news. Our area doesn't need a set of traffic lights, which is what will happen.
