RE: DA2022/0422 - 110 Woorarra Avenue NORTH NARRABEEN NSW 2101

Thankyou for opportunity to respond to the building Development Application for 110 Woorarra Ave, North Narrabeen.

I do not hold the necessary qualifications to interpret all the building proposal plans under the DA for 110 Woorarra Ave, North Narrabeen.

I wish to ensure that Council has given sufficient consideration to ensure the structural integrity of my property will not be affected by proposed works? Particularly with regard to slippage and water flow.

Yours sincerely
Margaret Harper
