RE: DA2020/1351 - 1 Bilambee Lane BILGOLA PLATEAU NSW 2107

To the assessing officer.

I would like to make a objection to the building plans in bilgola in regards to the apartment complex due to be built next to the organic store

I strongly feel that the plans are too many stories high. The building is too big and it doesn't fit the current fit and feel. The current plans are too large and I feel subject the children that cross the school crossing adjacent to the proposed site to a dangerous number of cars. The number of levels at the proposed site is not in keeping with the current sized buildings.

Kind regards
Lisa
