RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

Dear Sirs
Re - Application Number: DA2020/0393

I am writing to give my full support for this development and the council should expedite approval, as I believe this will enhance and add value to the local community by providing much needed housing and retail services and more importantly, this development will create jobs for the community as this should be a major consideration by council especially in this time.
