**RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107**

I have read both the Clareville and Bilgola Plateau Residents Association (CABPRA) objection submission and the one made by the immediate neighbour (Henry - 22 Wandeen) and would like to add my support to these. The sheer bulk of this development, the proposed encroachment beyond the building envelope and the planned destruction of native flora and no doubt fauna species must be enough to require that the owner re-consider the design.
