RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

Te7UQQ

Progress is a part of life and I and most locals accept that. Whale Beach has a building that does need replacing however it needs to be replaced with a building that retains the unique charm of Whale Beach. The proposed development would look appropriate somewhere but not Whale Beach. Please re design with the thought of the area in mind. The current building/development looks like something that would house buses in Brookvale.
