RE: DA2025/0077 - 28 Lawrence Street FRESHWATER NSW 2096

I strongly oppose these proposed plans, as they will harm the village and prioritise developer profits over the community's well-being. The developers have no genuine interest in Freshwater-they see only financial gain.

Given the poorly managed outcome of the new park at the beach, I have no confidence that this project will be handled any better. This is not in the best interest of Freshwater or its residents.
