Re DA2020/0442-231 Whale Beach Road Whale Beach

To Whom it May Concern,

I am a resident of Palm Beach and fully support the above development proposal.

The existing building is extremely run down and visually unpleasant and is in dire need of a make over. We live in such a beautiful location and it adds nothing to the area.

I think it would provide a wonderful boost for the area as we have nothing like it - not only would it be an excellent meeting spot for locals but it would also create jobs for many young people in the area.

I fully support the plas ad feel very excited at the prospect of enjoying this beautiful venue in the near future.

Thank you for your consideration of my comments.

Kind regards,

Lyndal Kusely.
