Subject: Oaklands in Warriewood

I am writing to express my disgust at the way the historic 'Oaklands' home in Warriewood has been allowed to fall into disrepair.

I ask you to take action on this matter. It is heritage for all of Sydney. The developer should be impelled to restore the building. As is, it seems a clear case of demolition by neglect. Comments reported in the ABC article on this matter demonstrate they have no regard for our heritage.

Kind regards,
Catherine Reynolds
