RE: DA2025/0043 - 150 Allambie Road ALLAMBIE HEIGHTS NSW 2100

After a street water main burst yesterday in front of 150 Allambie Road, we had a further clear demonstration of the inadequate drainage of this property. Water again flooded through their fence into my place resulting in soil erosion and siltation and also caused serious flooding to 45 and 47 Inglebar Avenue. The rate of water flow was similar to a serious storm. Photos of the damage are available if you wish to see them.
