Subject: 40 Crown rd Queenscliff

Hi Thomas,

Regarding the DA 2022/0162, can you please clarify the following;

*The plan shows a new driveway to Crown Rd (however the supporting documents don't make mention of this). Is a new driveway to Crown rd proposed or will cars use the existing driveway/crossing?

*If a new drive-way is proposed, will the existing be removed / gutter reinstated to allow for a car space on the street? (ie, no loss of street parking)

*Also, there is a power pole where the driveway is 'proposed', I assume that this will be relocated. Please clarify.

*Please consider this as a submission

Otherwise appears ok.
