RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

To the Northern Beaches Council,

I've been going to the Sunday French's Forest organic market for 22 years; it's been a great place to shop, meet with other like minded organic shoppers who care about our environment by taking their own bags, containers etc for fresh produce and using no plastic to contaminate and fill up our landfill.

I work full time, it's always been extremely comfortable for our family to relax and stroll around the market on a Sunday morning, have milkshakes, coffee, breakfast and shop in a relaxed manner, rather than battle the shopping trolleys that I do if I need to do a mid week mini shop, I try not to do as the produce at the market is so healthy and fresh.

I hope you give the F's. F. market management the DA, I would be so upset with the Councillors to let this northern beaches icon disappear; I'm looking forward to strolling with my grandchildren around the new community market.
