Dear Sir,

Re: Application No. DA 2020/0060
Lot 2, DP 9667 3 Birdwood Avenue, Collaroy.

In reply to your Notice of Proposed Development dated 30th March, 2020, regarding front boundary fence, it is our opinion the 1.5m high Metal Picket Fence and Gate is not in keeping with the surrounding area with all properties having 'No Fence' and open area to the building line.

A gate across the drive from the building line would be adequate for security as the entry doors to the Units is along that side of the building. The proposed fence would look like a schoolyard to keep people detained like an Iron Curtain.

Yours faithfully,

Per

John Tuinman and Janette Tuinman.
