Document # 20-8487-C1

To whom it may concern

Certificate of Stormwater Design Adequacy

PROJECT ADDRESS: 1 Montauban Ave
Seaforth, NSW

PROJECT DESCRIPTION: Stormwater Design

We can confirm that the stormwater design drawings as provided by Ross Engineers, drawing no. 20-8487-SW, Issue A, pages 1 to 3, are in accordance with the following codes:

- AS/NZS 3500.3-2018 – “Plumbing and drainage – Stormwater drainage”
- Northern Beaches Council – Stormwater Policy

Such that we can issue this **Certificate of Stormwater Design Adequacy**.

This certificate does not relieve any parties of their responsibility, liability or contractual obligation.
