**RE: DA2024/0675 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

Dear council, you must have noticed that pickleball has exploded around the world and also on the Northern Beaches. It has become a super popular sport because any age group can play the game and enjoy a good time. We would love to see more pickleball courts being built on the Northern Beaches and Pittwater RSL has agreed to host new venues if they are permitted to be built. We have played pickleball for the last 3 years and love the game. Please consider this application favourably  
Many Thanks
