**RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096**

My objection to these plans are as follows:

Although the hotel has always been here for many years, it is in a high residential area and in the past has, mostly always, been compatible with its surrounding neighbours. However the plans now being displayed will create extreme noise levels and cause parking problems in the surrounding area to a much higher degree. Both the noise and lack of parking are of great concern to most of us living in Freshwater.
