RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Dear council,

I wish to object to the development.

It is overbearing and dominates the hillside

It is out of scale with the surrounding buildings. Particularly Barrenjoey house. Can they develop the site to be more in keeping and character with the heritage buildings next to it please.

Any developments that do not meet the rules and regulations that are set by the council should not be allowed to proceed. This is an important site that requires a lot of thought and input from all
