**Subject:** TRIMMED: Objection to DA2025/0132

As a resident of Manly Vale I have a strong objection to the DA to build a MCDonalds at the proposed site.

The traffic congestion in this intersection is already a problem. The increased traffic due to a MCDonalds will bring the area to a gridlock, with few alternatives to avoiding the route to the well established Coles, Aldi and Woolworths supermarkets.

Maintaining access to these business on Roseberry st should be a priority for the council, as this is a major concern for residents.

Thank you for your consideration
