Dear David,

Ausgrid has reviewed your proposal for a retaining wall and driveway extension adjacent to Ausgrid's lot.

Ausgrid has no objection providing the works are located solely within your lot.

Regarding the front fence to Ausgrid's lot, Ausgrid will allow changes to the fence/gate providing the access width is no narrower than at present. If the gate is to be locked it is to be fitted with a standard Ausgrid security lock. No fixed panels will be permitted.

Regards,
