Consideration of Application		

The proposal seeks consent for alterations and additions to an existing semi-detached federation dwelling from early 1900's. It is not a listed heritage item, however it is located within the vicinity of heritage listed items. The first floor addition is proposed beyond the existing ridge location and the impact on the heritage fabric is acceptable, therefore there are no objections to the proposal on heritage grounds.

Consider against the provisions of CL5.10 of MLEP.
