RE: DA2021/1612 - 1 Clarke Street NARRABEEN NSW 2101

To the Assessing Officer,

I am extremely disappointed with the vertical sea wall at Collaroy and plans in Narrabeen. It is poorly thought out, ugly and an unsustainable option in terms of erosion and sand nourishment. Given that this has happened during COVID, the community response is not what it would be in usual times and I would urge you to extend the closing period to allow people to share their views.

Kind regards,
Vicky Simister
