Applicants North Curl Curl Surf Life Saving Club

Attached find a Modification of Consent Application, Section 96(1) to clarify and amend the wording of Condition B of MOD2015/0167 with regards to the NSW Rural Fire Service Condition 1

Discussions have been held with numerous Council Staff members and in particular Mr Rod Piggott Senior Development Assessment Officer with regards to the wording of Condition B on the Modification of Consent He has advised along with other staff members that the intent of the Condition B placed on the Consent was to comply with the NSW RFS Condition 1

1 Arrangements for emergency and evacuation are to comply with section 4.2.7 of 'Planning for Bush Fire Protection 2006'

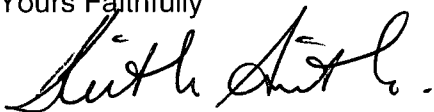

At no time was it intended that the Council Condition B was to include the 'General Advice' given by the NSW RFS and in error the Council Condition read to include this section

It is requested that Condition B of MOD2015/0167 be corrected to clarify the intent of the Condition

If you require further information don't hesitate to contact me

Thank you for your consideration in this matter

Yours Faithfully
