RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Palm Beach is much prized for its seaside village character and one of the elements that constitutes this character is the mix of architectural styles of mostly single and two storey dwellings

The proposed Development Application with its over height building bulk is an attack on the visual charm of our unique beautiful verdant area.

As a concerned long term resident I strongly object to this Development Application in its present form

Sincerely,
Ross Arblaster
