BASIX Certificate

Building Sustainability Index www.basix.nsw.gov.au

Alterations and Additions

Certificate number: A354250 03

This certificate confirms that the proposed development will meet the NSW government's requirements for sustainability, if it is built in accordance with the commitments set out below. Terms used in this certificate, or in the commitments, have the meaning given by the document entitled "BASIX Alterations and Additions Definitions" dated 06/10/2017 published by the Department. This document is available at www.basix.nsw.gov.au

Secretary

Date of issue: Thursday, 30, March 2023

To be valid, this certificate must be lodged within 3 months of the date of issue.

Description of project

| Project address | | | | | | | |
|---------------------------------|---|--|--|--|--|--|--|
| Project name | 46 Daintrey Street, Fairlight NSW03 | | | | | | |
| Street address | 46 Daintrey Street Fairlight 2094 | | | | | | |
| Local Government Area | Northern Beaches Council | | | | | | |
| Plan type and number | Deposited Plan 4449 | | | | | | |
| Lot number | 25 | | | | | | |
| Section number | D | | | | | | |
| Project type | Project type | | | | | | |
| Dwelling type | Separate dwelling house | | | | | | |
| Type of alteration and addition | My renovation work is valued at \$50,000 or more, and does not include a pool (and/or spa). | | | | | | |

Certificate Prepared by (please complete before submitting to Council or PCA)

Legend

In these commitments, "applicant" means the person carrying out the development.

Commitments identified with a " " in the "Show on DA plans" column must be shown on the plans accompanying the development application for the proposed development (if a development application is to be lodged for the proposed development).

Commitments identified with a "

"in the "Show on CC/CDC plans & specs" column must be shown in the plans and specifications accompanying the application for a construction certificate / complying development certificate for the proposed development.

Commitments identified with a "

"" in the "Certifier check" column must be certified by a certifying authority as having been fulfilled, before a final occupation certificate for the development may be issued.
