RE: DA2023/0995 - 54 Brighton Street FRESHWATER NSW 2096

As a resident of the Freshwater, I am in support of this development, the development has strong design principles, lots of parking to remove cars from the street, energy efficiency and carbon offset. As I'm planning on retiring in Freshwater the increase in development of over 55 residences is of great interest to me. I would like to see The Council approve this development
