RE: DA2024/0123 - 10 Inman Road CROMER NSW 2099

To whom it may concern,

I am writing in support of the Feels Pilates Studio DA submission. As a resident of Cromer I know access to a facility like this would be a great asset to our suburb and community. I have been a client of the Feels Pilates studio for several years and know they provide the highest quality of tuition and care for their clients. Recently attending classes at The Feels has helped me recover from surgery and been instrumental in rebuilding my strength and mental health. To have one of their studios close by in our own neighbourhood would make my life so much easier, and I know so many members of the community would benefit from it.
