RE: DA2024/0303 - 337 Lower Plateau Road BILGOLA PLATEAU NSW 2107

I have lived on the Plateau for over 30 years and during that time I have seen the destruction of many beautiful established trees. One of the reasons to move here was the abundance of trees. I have noticed fewer possums and other wildlife with this destruction of habitat. Removing 93 trees from this property seems excessive. Please reconsider this application with respect to the decline of habitat for wildlife and the destruction of many mature trees.
