**RE: DA2023/0995 - 54 Brighton Street FRESHWATER NSW 2096**

As a resident of the Northern Beaches, I am in support of this development, the development has strong design principles, lots of parking to remove cars from the street, energy efficiency and carbon offset and will provide much needed housing supply for the Northern Beaches. We would like to see The Council approve this outstanding development. We need more of this type of development as housing is at a premium on the beaches.
