I wish to object to this development.

The Rosebery St/ Kenneth Rd intersection roundabout is often congested. Increased traffic generated by a takeaway / drive through food service outlet will exacerbate the traffic congestion in an area that has main traffic flow west-east from Spit Bridge across to beach suburbs from Queenscliff to Dee Why.

Rosebery St traffic is already impacted by entrance/ exits to/from Aldi and Woolworths and other light industrial units, as well as heavy trucks accessing North Shore Cement & Sand, and Bunnings.
