**RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100**

Do not allow this development to proceed. Manly dam bushland is a special place and needs to be protected for the habitat it provides for our wildlife and the beauty and instructive value as a green space for recreation in our crowded city. It has already lost so much with the recent expansion of the Manly Vale public school, please do not take any more.
